Dear Miss Wyndes.

Really!

what do you think?  
us all? I was told by  
Miss G that she was sending  
you with the patroness but  
you returned the other, but  
not for us. you have, not  
had it. I'll say she was  
corresponding with you about  
the matter. How does this  
weather affect you? I have  
about the holiday in fact  
I have to spend.
